

Doulagivers™
Certified End of Life Doula Training

END-OF-LIFE DOULA PRACTITIONERS TRAINING

Welcome and thank you for registering for the End-of-Life Doula Practitioners Training, a comprehensive, intensive training program designed help you support someone from the time of a terminal diagnosis until the time of death. You will learn to provide holistic support for people throughout all the transitional aspects of dying, as well as helps the person's family to "re-enter" life after loss.

You will learn about the three phases of end of life (EOL); the latest options for care and EOL planning; creating sacred rituals; and grief, bereavement, and recovery support.
